minister to the Court
President of Harvard Coll

Observatory, Cambridge,

Sir : —

You are respectfully invited, as one of the subscribers to the fund for the purchase of the large telescope which has recently been received at Cambridge, to visit the Observatory, with any members of your family, on

Monday evening Dec^r 13.

Should the evening prove unfavorable, the pleasure of your company will be hoped for on the first clear evening of the week preceding any full moon.

As the temperature of the observing rooms is necessarily the same as that of the external air, visitors will find it conducive to their comfort to come provided with warm outer garments.
